APPENDIX

Summary of the main provisions of the Act.

MANOEUVRES.

1. Power of provincial Government to authorise manoeuvres.—(1) The provincial Government may, by notification in the local official Gazette, authorise the execution of military manoeuvres over any area specified in the notification during a specified period not exceeding three months:

Provided that the same area or any part thereof shall not ordinarily be so specified more than once in any period of three years.

(2) The provincial Government shall publish notice of its intention to the notification under sub-section (1) as early as possible in advance of the issue of the notification, and no such notification shall be issued until the expiry of three months from the date of the first publication of such notice in the local official Gazette.

(3) The notice required by sub-section (2) shall be given by publication in the local official Gazette and shall also be given throughout the area which it is proposed to specify in the notification by publication in the manner prescribed by rules made under section 13 and shall be repeated by like publication one month and one week as nearly as may be before the commencement of the manoeuvres.

2. Powers exercisable for purposes of manoeuvres.—(1) Where a notification under sub-section (1) of section 2 has been issued, such persons as are included in the military forces engaged in the manoeuvres may within the specified limits and during the specified periods—

(*a*) pass over, or encamp, construct military works of a temporary character or execute military manoeuvres on, the area specified in the notification, and

(*b*) supply themselves with water from any source of water in such area :

Provided that nothing herein contained shall authorise the taking off water from any source of supply, whether belonging to a private owner or a public authority, of an amount in excess of the reasonable requirements of the military forces or of such amount as to curtail the supply ordinarily required by those entitled to the use of such water supply.

(2) The provisions of sub-section (1) shall not authorise entry on or interference with any well or tank held sacred by any religious community or any place of worship or ground attached thereto except for the legitimate purpose of offering prayers or any place or buliding reserved or used for the disposal of the dead, or any dwelling house or premises attached thereto or any educational institution, factory, workshop or store or any premises used for the carrying on of any trade, business or manufacture or any garden or pleasure ground, or any ancient monument as defined in section 2 of the Ancient Monuments Preservation Act, 1904.

3. **Duty of Officer Commanding to repair damage** :—The Officers in Command of the military forces engaged in the manoeuvres shall cause all lands used under the powers conferred by this Chapter to be restored, as soon and as far as practicable to their previous conditions.

4. **Right to Compensation or damage caused by manoeuvres**:—Where a notification issued under section 2 authorises the execution of military manoeuvers compensation shall be payable from the Defence Estimates for any damage to person or property or interference with rights or privileges arising from such manoeuvres including expenses reasonably incurred in protecting person, property, rights and privileges.

5. (1) The Collector of the district in which any

depute one or more Revenue Officers to accompany the forces engaged in the manoeuvers for the purpose of determining the amount of any compensation payable under section 5.

(2) The Revenue Officer shall consider all claims for compensation under section 5 and determine, on local investigation and where possible after hearing the claimant, the amount of compensation, if any, which shall be awarded in each case; and shall disburse on the spot to the claimant the compensation so determined as payable.

(3) Any claimant, dissatisfied with a refusal of the Revenue Officer to award him compensation or with the amount of compensation awarded to him by the Revenue Officer, may, at any time within fifteen days from the communication to him to the decision of the Revenue Officer, give notice of the Revenue Officer of his intention to appeal against the decision.

(4) Where any such notice has been given, the Collector of the district shall constitute a commission consisting of himself as chairman, a person nominated by the Officer Commanding the forces engaged in the manoeuvres and two persons nominated by the District Board, and the commission shall decide all appeals of which notice has been given.

(5) The commission may exercise its powers notwithstanding the absence of any member of the commission and the chairman of the commission shall have a casting vote in the case of an equal division of opinion.

(6) The decision of the commission shall be final and no suit shall lie in any Civil Court in respect of any matter decided by the commission.

(7) No fee shall be charged in connection with any claim, notice, appeal, application or document filed before the Revenue Officer, Collector or the commission under

6. If, within the area and during the period specified in a notification offences under sub-section (1) of section 2, any person—

(*a*) wilfully obstructs or interferes with the execution of the manoeuvres, or

(*b*) without due authority enters or remains in any camp, or

(*c*) without due authority interferes with any flag or mark or any apparatus used for the purposes of the manoeuvers,

he shall be punishable with fine which may extend to ten rupees.

CHAPTER II

Field Firing and Artillery Practice

7. **Definitions**—In this Chapter

(*a*) "Field firing" includes air armament practice ;

(*b*) "notified area" mans an area defined in a notification issued under sub-section (1) of section 9.

8 **Power of Provincial Government to authorise field firing and artillery practice**:—(1) The Provincial Government may, by notification in the local official Gazette, define any area as an area within which for a specified term of years the carrying out periodically of field firing and artillery practice may be authorised.

(2) The Provincial Government may, by notification in the local official Gazette, authorise the carrying out of field firing and artillery practice throughout a notified area or any specified part thereof during any period or periods specified in the notification.

(3) Before any notification under sub-section (2) is issued the Provincial Government shall publish notice of

its intention to issue such notification as early as possible in advance of the issue of the notification, and no such notification shall be issued until the expiry of two months from the date of the first publication of the notice in the local official Gazette.

(4) The notice required by sub-section (3) shall be given by publication in the local official Gazette and shall also be given throughout the notified area by publication in some newspaper circulating in and in the language commonly understood in that area and by beat of drum and by affixation in all prominent places of copies of said notice in the language of the locality and in such other manner as may be prescribed by rules made under section 13 and shall be repeated by like publication one week as nearly as may be before the commencement of the period or of each period specified in the notification :

Provided that the fact of the said beat of drum and affixation shall be verified in writing by one headman and two other literate inhabitants of the locality and provided further that such notice by the beat of drum shall be given seven and two days as nearly as may be before the commencement of such field firing and artillery practice.

8 Powers exercisable for purposes of field firing and artillery practice:—(1) Where a notification under sub-section (2) of section 9 has been issued such persons as are included in the forces engaged in field firing of artillery practice may, within the notified area or specified part thereof during the specified period or periods :—

(*a*) carry out field firing and artillery practice with lethal missiles and

(*b*) exercise, subject to the provisions of sections 3 and 4, any of the rights conferred by section 3 on forces engaged in military manoeuvres :

Provided that the provisions of sub-section (2) of section 3 shall not debar entry into or interference with any place specified in that sub-section, if it is situated in an

area declared to be a danger zone under sub-section (2) of this section, to the extent that may be necessary to ensure the exclusion from it of persons and domestic animals:

Provided further that in the case of a dwelling house occupied by women adequate warning shall be given through a local inhabitant and entry shall be effected after such warning in the presence of two respectable inhabitants of the locality.

(2) The Officer Commanding the forces engaged in any such practice may, within the notified area or specified part thereof, declare any area to be a danger zone, and thereupon the Collector shall, on application made to him by the Officer Commanding the forces engaged in the practice, prohibit the entry into and secure the removal from such danger zone of all persons and domestic animals during the times when the discharge of lethal missiles is taking place or there is danger to life or health.

10. Compensation.—The provisions of sections 5 and 6 shall apply in the case of filed firing and artillery practice as they apply in the case of military manoeuvres :

Provided that the compensation payable under this section shall include compensation for exclusion or removal from any place declared to be a danger zone of persons or domestic animals, such compensation to be disbursed at not less than the minimum rates prescribed by rules made under section 13 before the exclusion or removal is enforced, and shall also include compensation for any loss of employment or deterioration of crops resulting from any such exclusion or removal.

11. Offences.—If, during any period specified in a notification issued under sub-section (2) of section 9, any person within a notified area:

(*a*) wilfully obstructs or interferes with the carrying out of field firing or artillery practice, or.

(*b*) without due authority enters or remains in any camp, or

without due authority enters or remains in any area declared to be a danger zone at a time when entry thereto is prohibited, or

(*d*) without due authority interferes with any flag or mark or target or any apparatus used for the purposes of the practice,

he shall be punishable with fine which may extend to ten rupees.

CHAPTER III

General

12. Power to make rules :—The Provincial Government may, by notification in the local official Gazette, make rules :

(*a*) prescribing the manner in which the notices required by sub-section (2) of section 2 and sub-section (3) of section 9 shall be published in the areas concerned ;

(*b*) regulating the use under this Act of land for manoeuvres or field firing and artillery practice in such manner as to secure the public against danger and to enable the manoeuvre, or practice, to be carried out without interference and with the minimum inconveinence to the inhabitants of the areas affected ;

(*c*) regulating the procedure of the Revenue Officers and commissions referred to in section 6 in such manner as to secure due publicity regarding the method or making claims for compensation and preferring appeals from original awards of compensation the expeditious settlement of claims and of appeals and the payment of compensation so for as possible direct to the claimants ; and

(*d*) defining the principles to be followed by the Revenue Officers and commissions referred to in section 6 in assessing the amount of compensation to be awarded.

By Order and in the name of the Governor of Mysore,

B. L. LAKKE GOWDA,
Under Secretary to Government,
Revenue Department.

APPENDIX

Summary of the main provisions of the Act and Rules framed thereunder.

1. The notice required by sub-section (2) of Section 2 of the Manoeuvres, Field Firing and Artillery Practice Act, 1938 (hereinafter referred to as the Act) shall in addition to the publication in the Gazette as required by sub-section (3) of that section be published in the following manner, namely :—

(i) by publication in the village sheet of the District Gazette and in some newspaper circulation in the area which is proposed to be specified in the notificatiotn under sub-section (i) of Section 2 of the Act in the language commonly understood in such area ;

(ii) by beat of drum in the residential portion of such area ;

(iii) by affixation of copies of the notice in the language of the locality in each of the public Offices situated in such area provided that if such area is rural, copies of such notice shall be affixed in the Local Board Office and in the Village Chavadi or if there is no Local Board Office or Village Chavadi, copies of such notice shall be affixed at important places, in such area ; and

(iv) by giving publicity to the notice at agricultural religious or other fairs which are being held in the vicinity of such area during the currency of the notice :

Provided that the fact of the said beat of drum and affixation shall be verified in writing by one headman and two other literate inhabitants of the locality.

2. The notice required by sub-section (3) of the Section 9 of the Act shall, in addition to the publication in the Gazette and the other modes provided by sub-section (4) of the said Section, be published in the manner provided in Rule 2.

3. The Officer in Command of the Military Forces engaged in the manoeuvres of the Field firing and artillery practice shall intimate in writing to the Revenue Officer deputed by the Collector of the District under Section 6 of the Act (hereinafter referred as the Revenue Officer) at least 48 hours in advance, the exact time when the operations will commence and the exact locality which shall be clearly described where the operations will be carried on. The locality, where the operations will be carried on, shall also be indicated on the ground by means of marks such as red flags.

4. The Revenue Officer shall, on receipt of such intimation, immediately inspect the notified area accompanied by two respectable residents of the locality notified and a person nominated by the Officer Commanding and prepare a record of the conditions of the land and the alterations that are likely to be made on it for the purposes of the operations. The Revenue Officer shall, as far as possible, secure the presence of the owner or occupier of the land and include in the record the gist of the latter's representations, if any.

5. The Revenue Officer shall ascertain the quantity of water ordinarily required by those entitled to the use of water from sources of supply within the notified area and furnish the information in writing to the person nominated by the Officer Commanding.

6. The Revenue Officer shall also ascertain the place, if any, within the notified area of the categories falling under sub-section (2) of Section 3 of the Act and furnish the information in writing to the person nominated by the Officer Commanding.

7. The Revenue Officer shall inform the inhabitants of the surrounding area, at least 24 hours in advance by beat of drum and publication of notice in the Village Chavadi or other places of public assembly in each village of

the time of commencement and duration of operations and warn them (i) not to enter or remain in any camp without due authority; and (ii) not to interfere without due authority with any flag or target or any apparatus added for the purposes of manoeuvres of field firing and artillery practice.

8. When any area is declared to be a danger zone under sub-section (2) of Section 10 of the Act, the Officer Commanding shall cause to be put up prominent danger signal on all sides of the danger zone with written warnings in English and in the language of the area prohibiting the entry into the area during the times when the discharge of lethal missiles is taking place or there is danger to life or health. He shall also post entries as far as possible around danger zone during the time when the discharge of lethal missiles is taking place or there is danger to life or health.

9. On receipt of the Collector's order under sub-section (2) of Section 10 of the Act, the Revenue Officer shall notify in the manner specified in Rule 5 that the entry into danger zone is prohibited and that all persons and domestic animals will be removed during the times when the discharge of lethal missiles is taking place or there is danger to life or health after payment of compensation in accordance with the provisions of the proviso to Section 11 of the Act.

10. When on the conclusion operations, the Officer Commanding has restored the lands as far as practicable to their previous conditions, he shall notify the fact to the Revenue Officer who shall inspect the land with the two respectable residents who accompany him in the first inspection under Rule 5 or if their presence cannot be secured due to death, ill-health or any other reason with two other respectable residents of the locality notified and record his remarks to the extent to which each land which has not been restored to its previous condition has such damage.

11. Any person who claims compensation under Section 5 of the Act shall appear in person or by agent before the Revenue Officer within seven days from the date on which his claim arose and state the nature of the claim, the amount of compensation he demands and his titles there to. The statement shall be made in or reduced to writing and signed by the claimant or agent.

12. The Revenue Officer shall fix a specified day or days of the week commencing from the next after the operations have concluded and a place for inquiry into the claims and notify them in the manner specified in Rule 8.

13. On the appointed day or days, the Revenue Officer shall enquire into all the claims received in time and determine the amount of compensation to be awarded in each case.

14. In deciding the amount of compensation to be awarded, the Revenue Officer shall take the assistance of the two respectable residents of the locality who accompany him in his inspection under Rules 5 and 11 and these shall act as assessors. The Revenue Officer shall record and take into consideration the opinions expressed by the assessors on the points at issue in each case but he shall not be bound to accept them.

15. If any of the persons selected as an assessor—

(*a*) is not available, or
(*b*) is a claimant, or
(*c*) is personally interested in a claim, or
(*d*) is unwilling to act,

the Revenue Officer shall appoint another person in his place for dealing with that claim.

16. The Revenue Officer shall conduct the enquiry expeditiously but may adjourn it as occasion

17. The Revenue Officer shall hear the claimant and the evidence if any produced by him on matters relevant to the enquiry and receive any written statements filed by him but, he need record the evidence of the claimant or his witnesses. The Revenue Officer's enquiry shall be of a summary nature.

18. The Revenue Officer may inspect again the place of damage with the assessors, if he considers such further inspection necessary, to enable him and to fix the compensation to be awarded. The claimant or his agent may also be present at the time of the inspection

19. The Revenue Officer shall enter all the claims in a register which shall contain the following particulars :—

(1) No. and date of claim.

(2) Name of the Village.

(3) Name of the claimant.

(4) Nature of claim and date on which the claim arose.

(5) Compensation claimed with date alleged for the claim.

(6) Compensation awarded with brief reasons for the decision.

(7) Signature of the party in acknowledgement of the communication of the decision.

(8) If the party does not accept award, date of intimation of the notice of intention of appeal.

(9) Signature of party in token of receipt of the compensation awarded.

(10) Remarks.

The decision shall briefly give a gist of the evidence adduced and the reason which have weighed with the Revenue Officer. The claimant shall on application be applied free of charges with a copy of the decision and of any notes of inspection recorded by the Revenue Officer.

20. No legal practitioner, qualified, or unqualified, shall be allowed to appear before the Revenue Officer, but any claimant may authorise a servant gumastha, partner, relation or friend to appear and represent his claim.

21. The Officer Commanding shall nominate a person to be present at the enquiry, and shall furnish him with funds to enable the Revenue Officer to pay the claimants on the spot as soon as he passes his awards.

22. The Revenue Officer shall take into consideration the representation if any, by the person so nominated by the Officer Commanding before arriving at the decision on each claim.

23. If a claimant refuses to receive the money awarded or if there are rival claimants to it, the Revenue Officer shall receive it from the person nominated by the officer Commanding and place it in the nearest treasury in revenue deposit.

24. On receipt of the notice of intention to appeal, the Revenue Officer shall report the fact to the Collector and forward an extract of all the entries in the register referred to in Rule 20, relating to the claim and all other papers, if any, relating to the claim.

25. The Commission shall have its first sitting to hear appeal not later than thirty days from the communication of the Revenue Officer's decision to the claimant. It shall not be necessary for the Commission so to meet unless the Collector has received from the claimant within three weeks from the communication of the Revenue Officers' decision to the claimant a memorandum stating the grounds of appeal and the relief claimed. The Commission shall be competent to reject summarily any appeal in respect of which a memorandum has not been filed within the said period.

26. A notice specifying the time and place fixed for the first sitting of the Commission shall give to the appellant at least five clear days before such sitting. The notice shall be found at the address given by him before the Revenue Officer it may be served on any adult member of the family residing with him or failing that, affixed to a prominent part of the building specified in that address.

27. The Commission may adjourn its sitting if it finds necessary to do so, but an appeal should be disposed of as expeditiously as possible.

28. The Officer Commanding shall place the additional compensation, if any, awarded by the Commission at the disposal of the Collector of the district within seven days of the date on which the Commission decides the appeal.

29. The Collector shall place the additional compensation, if any, in revenue deposits and arrange for the disbursement of the entire compensation to the application as early as possible by the issue of a refund order to the appropriate treasury in case in which the amount was originally refused by appellant and deposited by the Revenue Officer.

30. If the person who is entitled to receive the compensation or any portion thereof—

(*a*) is a minor, or

(*b*) is of unsound mind, or

(*c*) has only a limited interest in the land or other property which has suffered damage, the orders of the Collector shall be obtained as to the payment

31. Damage to person shall be assessed with reference to the age and status of the person injured, the nature and duration of the injury caused, his earning capacity, the extent to which his earning capacity has been diminished and the period during which such diminution of his earning

capacity is likely to continue, and the special circumstances of the injured and his dependents that are brought to notice during the enquiry.

32. Damage to property shall be determined with reference to the prevailing market value of the property, the loss sustained by the removal of any standing crops of trees or building or other structures thereon, the loss sustained by the deprivation of the use of the property during the period of the operations, the loss caused by severance of the property in the notified area from other property of the claimant, and the loss caused by injurious affection to other property moveable or immoveable or the earning of the claimant and such other relevant considerations as may be disclosed during the Revenue Officer's enquiry.

33. Damage for interference with the rights or privileges or both shall be assessed solely with reference to the material loss sustained by the claimant by such interference.

34. If the damage to a building is so great that it cannot be repaired, the full cost of such building (as it was at the commencement of the operations) less the cost of the existing materials, if any, together with 15 per cent of the difference shall be awarded as compensation. If the claimant does not elect to take the materials, they shall be handed over to the Officer Commanding for disposal and the full value of the building paid to the claimant.

35. If a land is permanently impaired in value, the difference between the original market value and the value in its impaired state *plus* cent of such difference shall be paid to the claimant as compensation.

36. Besides compensation for the damage arising from manoeuvres or field firing or artillery practice, expenses reasonably incurred in protecting the person property

rights, and privileges of a claimant during the time of the operations shall also be allowed.

37. If a person is directed to remove himself of his domestic animals, from any danger zone under sub-section (2) of Section 10 of the Act, the expenses of such removal as estimated by the Revenue Officer shall be paid at least 12 hours in advance of the hour before which the evacuation has to be completed.

38. The minimum amount of compensation payable for the exclusion or removal of a person or domestic animal from any place declared to be a danger zone under sub-section (2) of Section 10 of the Act shall be the amount required for the removal to the nearest place of safety and for meeting of any extra cost of living or feeding charge or accommodation of the person or animal at current local rates that would have to be incurred durnig the period for which the exclusion is enforced.

39. No compensation shall be awarded for any damage caused to any person or property by the infringement of the warnings or instructions issued under these Rules.
